

Best Interior Decorating

What a great feeling to be recognized by this wonderful community! At the Interior HomeStore, my husband John and I are very proud of our talented design team who also share in this passion. This talent shows up first hand in our store and in the many of the fine homes in the area that we have been privileged to furnish, decorate, and/or remodel the past 30 years. We have been fortunate to help make homes more inviting, more personalized and more comfortable . . . welcome retreats in which to share all the joys of life.

After spending 35 plus years in the retail home-furnishings and interior design business, I still enjoy and remain very passionate when asked to assist a client with their home décor decisions. It is so humbling to hear customers commenting while shopping in our store on how they love our wide-ranging selections of home accessories, furnishings, floral and window fashions . . . and how much they also appreciate our moderate price points.

We have been and remain today the award winning, premier destination place to shop in this area since 1981, when we planted our roots at 326 West Lamar in beautiful downtown Sherman. Some twenty years later, we moved into our current location at 702 N. Travis. We now have a 5000+ square foot retail storefront where you are welcomed by our sidewalk décor and an open door! You are always invited to stop in, browse at your leisure, and explore the many room settings Lisa Howell, our staff designer, so lovingly creates! You will always discover a fresh design concept, an array of eye-catching furnishings, custom window fashions created by Cheri Johnson, a unique memento or a home accent that captures your heart. The possibilities are endless and so is the excitement while you shop.

If you find you have a need for design or remodeling services, we also offer those services! We suggest an in-home consultation so we can get a first hand look

at your home, review your wish list and offer design suggestions according to your needs and desires. We can provide most any product or service needed for virtually any sized project.

We personally invite you to also explore our upscale, gently used consignment furnishings showroom, located just off of our main showroom. The "like new" selections are brought in almost daily so if you are a bargain shopper, this is the room for you! Quality furnishings and accessories flow in and out of this area at a fast pace so you will want to frequent it often to get the best selections!

Other awards we have been proud to have received are the Home Accents Today "Top 50 Retail Stars" awarded in 2008. In 2010, a distinct panel of judges from the local Annual Parade of Homes awarded us "Best Interior Design" for our creative flairs displayed in the Armada Home located at O'Hanlon Ranch Subdivision. We would like to thank the Herald Democrat and all of you who voted for us for this Best of Texoma™ Award in the Interior Design category.
